## CHAMBER OF COMMERCE

May 23, 2011

Public Service Commission of South Carolina  
Attention: Clerk's Office  
Post Office Drawer 11649  
Columbia, SC 29211

Regarding: Docket # 2011-47-WS

Dear Sirs:

I am the President of the Lake Wylie Chamber of Commerce (LWCC). The LWCC counts as its members over 300 businesses in the Lake Wylie, SC area. The great majority of these business enterprises are customers for and users of the services of Carolina Water Services, Inc. (CWS)

CWS has recently filed a request for a rate increase for the water and sewer services they provide in Lake Wylie (known in the request as "River Hills").

On behalf of the Lake Wylie Chamber of Commerce and the residents of Lake Wylie, we request that the Public Service Commission (PSC) hold a public hearing in the Lake Wylie community on a week-day evening of their choosing. The PSC has been gracious to hold such hearings in Lake Wylie in the past in conjunction with similar CWS requests. As you can appreciate, it is difficult, inconvenient, and, in many cases, impossible for residents and business owners to get to a hearing in Columbia.

We will be happy to assist in the arrangements for a location, seating preparation, public address system(s), and any local needs. Please feel welcome to call me at 803-831-2827 if I can be of service.

Sincerely,

Susan Bromfield,  
President
